McDonough County Board Encourages Residents to Complete Survey

Macomb, Illinois, September 23, 2009– The McDonough County Board has sent out the County Comprehensive Plan Community Survey this week. Participants have been chosen randomly. Anyone interested in filling out a survey, but is not mailed one directly, may pick up the document at any McDonough County public library or the McDonough County Courthouse. In addition, the survey can also be filled out online at <http://www.wiu.edu/wsrc/countysurvey.htm>.

This survey is a critical component of the comprehensive plan and will provide the McDonough County Board with insight on local opinion covering a broad range of local topics. Every McDonough County resident is encouraged to participate this planning process. If anyone needs any special accommodations to complete the survey, they are encouraged to contact the County Board Office at 309-837-2308.
